

Ukrainian Universities

Name	Name of the university	Position	Email address	Research interest/areas
Alona Yurzhenko	Kherson State Maritime Academy	Head of International Affairs department	mz@ksma.ks.ua	Maritime education and training
Kateryna Skyba	Khmelnytskyi National University	Vice-rector	skybakm@khnmu.edu.ua	Education, philology, computer sciences, chemistry, psychology, economics, management and others.
Inna Abramiuk	Lutsk National Technical University	PhD	inna.abramyuk@gmail.com	Development and planning of cities and urban spaces taking into account gender, equality of opportunities and age. Emphasis on women and creating a safe space for women and girls
Andrii Smitiukh	Odesa I.I.Mechnikov National University	vice-rector	a.smitiukh@onu.edu.ua	Commercial law but as a vice-rector I could promote also cooperation in the fields of law of intellectual property, microbiology, biotechnology, spanish / english philology, economics&management, international relations, marine geology
Yevgen Kotukh	State Tax University	Professor	yevgenkotukh@gmail.com	Auditing, Public Procurement, Financial Crime Investigations, Digital Forensics
Hanna Davydenko	University "Ukraine"	Vice Rector of Science and International Relations	ganna.davydenko@gmail.com	Social pedagogy, inclusion, gender
Kateryna Hnedina	Chernihiv Polytechnic National University (Chernihiv, Ukraine)	Associate Professor of the Department of Economy, Accounting and Taxation, PhD in Economics	gkv2015oa@gmail.com	Climate neutral future: the role of HEI, economic instruments of decarbonization of energy sector, startups and their role in sustainable development, economic tools for energy safety, strategy formation for business entities, academic integrity in HEI

Ukrainian Universities

Olena Pavlenko	Mariupol State University	English Philology Department, Professor	pavlenkoelena2017@gmail.com	Translation Studies, Cultural Aspects of Language Learning, Teaching English for Academic Purposes
Halyna Vlasiuk	National University of Water and Environmental Engineering	International Cooperation Coordinator	h.m.vlasiuk@nuwm.edu.ua	Environment engineering, water management and engineering , agronomy , sustainability
Marian Slabinoha	Ivano-Frankivsk national technical university of oil and gas	Associate professor of computer systems and networks department	marian.slabinoha@nung.edu.ua	Sustainable web development and digitalization, internet of things, data analysis
Myroslava Lendel	Uzhhorod National University, Ukraine	Vice Rector for the International Relations	myroslava.lendel@uzhnu.edu.ua	Political and social sciences, regional integration migration
Iuliia Dobroskok	Simon Kuznets Kharkiv National University of Economics	Head of International Relations Office	international@hneu.net	Women leadership in HEI institutions, Digitalization of the Economic processes, Financial transformations in digital era
Viacheslav Tuliakov	National University Odesa Law Academy	professor, former provost	vyacheslav.tulyakov@gmail.com	Human rights, Rule of Law, Justice, Criminal policy, Victim-oriented policy, Organized and Transnational Crime, War Crimes, Crimes against Humanity, Restitution and Compensation
Oksana Urban	Lutsk National Technical University	PhD	urban.oksana@gmail.com	Economic, international economic, Sustainability, leadership
Oksana Shevchuk	I.Horbachevsky Ternopil National Medical University	Head of Research Projects Management Department	shevchukoo@tdmu.edu.ua	Medicine (expermental and clinical research), biology, bioethics, education, simulation education
Yaroslava Levchenko	Kharkiv national automobile and highway university	Dean, professor	slavalevcenko1984@gmail.com	Financing of bridge construction

Ukrainian Universities

Vladyslav Panchenko	Ukrainian State University of Railway Transport	vice rector for research and education	vlad_panchenko@ukr.net	Railway transportation vehicles; Railway logistics; Concrete sleepers and concrete products; Green and alternative energy sources; Physico-chemical and tribological tests of fuel and lubricants, development of lubrication systems for vehicle assemblies; Development of composite materials for industry from powders of refractory compounds and metals, powder metallurgy, materials science.
Tymofii Brik	Kyiv School of Economics	rector	tbrik@kse.org.ua	Social science, economics, math, IT, law. We have a memorandum with ITAM in Mexico and would love to expand on it and launch some projects asap
Yulian Konechnyi	Danylo Halytsky Lviv National Medical University	researcher at the department of microbiology, PhD, MD	yuliankonechnyi@gmail.com	Clinical microbiology, health care associated infections, antibiotic resistance, wound infections in mine and explosive injuries
Olena Bondar	Kiev National University of Construction and Architecture	vice-rector for international relations	Bondar.OA@knuba.edu.ua	Scientific research on the full life cycle of a construction project
Alina Iovcheva	Petro Mohyla Black Sea University	Associate Professor	alina.iovcheva@gmail.com	Democratic transition of the countries of South-Eastern and Eastern Europe, value transformations, values in war.
Borys Ivnyev	PHEE "KYIV MEDICAL UNIVERSITY"	Rector	b.ivnyev@kmu.edu.ua	Medicine, Dentistry, Pharmaceutical research
Valentyna Yakubiv	Vasyl Stefanyk Precarpathian national university	Vice-Rector	valentyna.yakubiv@pnu.edu.ua	HR- Management, strategic management

Ukrainian Universities

Mariia Hryshchuk	Ivano-Frankivsk National Medical University	Vice-Rector for Scientific and Pedagogical Work and International Relations	mhryshchuk@ifnmu.edu.ua	Cardiology, Pulmonogy, Infectious diseases, Immunology, Oncology, Endocrinology, Morphology and Pathomorphology
Maksym Karpash	King Danylo University	Vice-Rector for International Relations and Strategic Development	maksym.karpash@ukd.edu.ua	Energy, Sustainable Development, Renewables, Construction, Veterans Adaptation/Retraining, Post-war rebuilding
Svitlana Manzhula	Odesa National Economic University	Grant office coordinator, senior teacher	svetikm@ukr.net	Economics, marketing, entrepreneurship, psichology
Maksym Kustov	National University of Civil Protection of Ukraine	Head of Scientific Department	m.kustov.nuczu@gmail.com	Civil Protection, Fire Safety, CBRN Safety, Explosive materials, Environmental Safety, Crisis Management, Crisis Psychology
Alina Lavreniuk	Academician Stepan Demianchuk International University of Economics and Humanities (Rivne, Ukraine)	Head of International and Project Department	international@megu.edu.ua	Pedagogy, journalsim, cybernetics, law, economy, English Philology, tourism, issues on Peace
Oleksii Kapustin	Kharkiv Institute of Medicine and Biomedical Sciences	Vice-President	oleksii.kapustin@khim.edu.ua	Medicine, Dentistry, Pharmacy
Yuliia Kostiuk	Ternopil Volodymyr Hnatiuk National Pedagogical University	Lecturer at Department of Ukrainian Language and Slavonic Studies, Manager of International Digital	juliakostjuk@gmail.com	Political discourse in internet-communication, Ukrainian as a foreign language, lexical units in propaganda

Ukrainian Universities

		School of Ukrainian Studies		
Oksana Okseniuk	Luhansk State Medical University	Dean of medical and pharmaceutical faculty	17011981oksenuk@gmail.com	Musculoskeletal injuries in the conditions of martial law: an interdisciplinary context Multimodal study of behavioral-cognitive, clinical-pharmacological, social patient-oriented pharmacotherapy of post-traumatic stress disorders in conflict conditions Multidisciplinary study of neuro-oncological diseases against the background of accompanying comorbid conditions Comprehensive research on the treatment of depression in cancer patients
Andrii Fedosov	National University of Pharmacy	Vice Rector of Science and pedagogical work	prorector1@nuph.edu.ua	research in the field of pharmacy and chemistry
Olena Seredina	Volodymyr Dahl East Ukrainian National University	Head of International Cooperation Department	seredina@snu.edu.ua	Economics and management, public administration, regional development, engineering, ecology, chemistry, sustainable development, humanities, transportation technology and logistics, railway transportation, construction, agricultural sciences, information technology, computer engineering, human rights, and gender equality.
Inna Chebernina	State Establishment Lugansk State Medical University	PHD student	chebernina@gmail.com	Structural changes of the hippocampus in conditions of induced carcinogenesis in the gastro-intestinal tract
Naumyk Valeriy	National University «Zaporizhzhia Polytechnic»	Vice-Rector for Scientific and Pedagogical Work	vnaumyk@gmail.com	Development of new and improvement of existing processes for obtaining high-quality responsible castings and ingots from heat-resistant nickel and

Ukrainian Universities

		and International Affairsv		copper alloys; – improvement of modern additive methods of obtaining responsible products from heat-resistant alloys; – development and improvement of methods for researching the properties of the material of castings and ingots; – features of the application of thermo-time treatment of the melt and various methods of modification of heat-resistant nickel alloys; – application of hot isostatic pressing to improve the complex of physical, mechanical and operational properties of responsible castings of aviation and power engineering.
Nataliia Vovkotrub	Bila tserkva National Agrarian University	associate professor, PhD	vona76@ukr.net	Dairy cows internal diseases, transition cows, dairy herd health management
Vasyl Koziy	Bila Tserkva National Agrarian University	The chief of the Physiology department, School of Veterinary Medicine	vasyl.koziy@btsau.edu.ua	Animal welfare, ethology, animal behaviour, preventive veterinary medicine
Anna Kolesnyk	Flight Academy of National Aviation University	Head of International Relations Department	annakol2603@ukr.net	Aviation, Management
Tetiana Kostiuk	Borys Grinchenko Kyiv University	International Relations Officer, senior researcher	t.kostiuk@kubg.edu.ua	Political Science, Internationalization, Humanities, International Relations, Peace and Security
Liudmyla Fihurska	Odesa National University of technology	Ass. Prof.	fihurska@gmail.com	Grain, animal feed and food technologies

Ukrainian Universities

Viktoria Novikova	Bila Tserkva National Agrarian University	Lecture, PhD in economics, institutional coordinator Erasmus+	viknovik1110@gmail.com	Forecasting in economics
Volodymyr Shablii	Institute of Molecular Biology and Genetics of National Academy of Sciences	Head of Placenta Stem Cell Laboratory	shablii2301@gmail.com	Stem cells, regenerative medicine
Taras TSARENKO	Bila Tserkva National Agrarian University	Head of the Department of epizootiology and infectious diseases	taras.m.tsarenko@gmail.com	Veterinary medicine, infectious diseases, PCR, VNTR, Leptospirosis, EBLV
Vadim Shalomeev	National University Zaporizhzhia Polytechnic	Professor	shalomeev@zp.edu.ua	Development and research of magnesium-based alloys for aviation engineering and as biosoluble implants in medicine.
Oleksandr Pompii	Luhansk state medical university	Vice-rector, ass. prof. of dentistry department, PhD	stifler2637@gmail.com	Modern trends and perspectives of direct teeth restoration. Adhesive systems. Immunomodulating treatment of generalised periodontitis in elderly patients.
Boris Kosoy	Odesa National University of Technology	Dr., Prof, Director for the Institute of Refrigeration, Cryotechnology and EcoenergeticsC	bkosoy@gmail.com	Renewable Energy, Two-phase Thermal Control, Heat Pipes, Energy Efficiency
Andrii Samila	Yuriy Fedkovych Chernivtsi National University	Vice Rector for Scientific Research, D.Sc.(Engineering), Full Professor	a.samila@chnu.edu.ua	Radio Engineering Devices and Telecommunication Means, Internet of Things
Tetiana Chumachenko	Dnipropetrovsk State University of Internal Affairs	The Head of International Department	ird.dduvs@gmail.com	Human rights, International and State security, Crime prevention

Ukrainian Universities

Tetyana Karlova	State Establishment «Lugansk State Medical University»	Chair of the department of language training and Humanities	kafedra.inozemnih.mov@lsmu.ukr.education	Peculiarities of interdisciplinary intergration during teaching of theoretical disciplines in higher medical schools
Anastasiya Chupryna	Kharkiv National University of Radio Electronics	Associate professor, PhD Software Engineering department, Coordinator of double degree programs and academic mobility	anastasiya.chupryna@nure.ua	Join programs in Academic Mobility for students and staff; Join research in areas of Artificial Intelligence, Computer Vision, Data Science; Join international projects such as Erasmus+, Horizon, ect
Galyna Lutsenko	Bohdan Khmelnytsky National University of Cherkasy	Professor, Department of Automation and Computer-Integrated Technologies	LutsenkoG@gmail.com	Digital Technologies in Education; Project and Problem-based Learning; Engineering Education
Anna Sinilkina	Kyiv National University of Technologies and Design	Coordinator of international educational programs of KNUVD	smop@knuvd.edu.ua	Development of functional textile materials and products to ensure human protection against mechanical damage, fire and electromagnetic radiation; -Development of the technology for obtaining new nano-sized composite materials based on carbon materials, polymers and inorganic substances, the use of which will allow to improve the qualitative and quantitative characteristics of chemical current sources , protective coatings against high-frequency radiation; - Creation of new composite materials containing natural polymers and research of their properties; -

Ukrainian Universities

				Production of polymer composite materials for special purposes with adjustable indicators; - Nanotechnologies of arranging textile materials; - Improvement of combined power supply systems of local facilities with renewable energy sources; - Innovative entrepreneurship.
Nataliia Hychko	Kolky center of professional education	Deputy director for educational work	nazarova_nataliia@ukr.net	Agricultural technology
Dmytro Afonin	Lugansk State Medical University	Docent	docentdn007@gmail.com	Medicine, surgery
Oleksii Makarenkov	Zaporizhzhia National University	International Relations Lead of Zaporizhzhia National University Law Faculty	almak17@ukr.net	Law
Sergii Rudenko	Taras Shevchenko National University of Kyiv	Vice Dean for Research work	sergii.rudenko@knu.ua	Ukrainian philosophy; Chinese philosophy; Intercultural communication; Philosophy and Cosmology
Alexander Voloshyn	Luhansk State Medical University (Ukraine, Rivne); Bogomolets National Medical University (Ukraine, Kyiv)	Head of the Department of Pediatrics with Childhood Infections; Doctoral Researcher	ditlikar@ukr.net	Recurrent respiratory tract infections in preschool children ↔ risk factors ↔ secondary immune deficiency: SPSS analysis.
Olena Kuzmak	Lutsk National Technical University	Professor of the Department of Finance, Banking and Insurance	kuzmakolena3007@gmail.com	Sustainable economic development, sustainable urban development, financial security

Ukrainian Universities

Oksana Palych	Stepan Gzhytskyi National University of Veterinary Medicine and Biotechnologies of Lviv	Head of International Relations Office	iro.lvet@gmail.com	Veterinary medicine, biology and technology, social development and health, food technologies and biotechnology and health, economics and management
Nataliya Chukhray	Danylo Halytskyi Lviv National Medical University	The head of Orthodontics Department, Prof., DMSci	nchukhray@gmail.com	Orthodontics, epidemiology of malocclusion and dental caries among children, modern methods of treatment of the arch constriction, orthodontic treatment of cleft palate
Olena Bondar	Kyiv National University of Construction and Architecture	Vice-rector for international relations	Bondar.OA@knuba.edu.ua	Construction, architecture. The full cycle of construction project implementation. BIM modeling and implementation of construction projects
Maryna Voloshchuk	Educational and rehabilitation institution of higher education "Kamianets-Podilskyi state institute"	head of the Department of International relations, communication, innovative and scientific work	marinabormv@gmail.com	Psychology, training and socio-psychological support&assistance for people with disabilities, inclusive economy, accounting and taxation, inclusive education and trainings
Dmytro Marieiev	Oleksandr Dovzhenko Hlukhiv National Pedagogical University	the Head of the Educational and Methodological Department (Support of International and Project Activities)	gnpugrant@gmail.com	Pedagogy; Dialectology; Filology
Nataliia Tkachenko	Oleksandr Dovzhenko Hlukhiv national pedagogical university	vice-rector for scientific work and international affairs	gnpunauka@gmail.com	Training teachers for all levels of education, transversal and digital competencies

Ukrainian Universities

Olga Varchenko	Bile Tserkva National Agrarian University	professor of Department finance, insurance and banking loan	omvarchenko@ukr.net	Sustainable agri food chains, low-carbon agriculture
Sergiy Kostrikov	V.N. Karazin Kharkiv National University	Professor of the Department of Human Geography and Regional Studies	sergiy.kostrikov@karazin.ua	Urban Studies with Geographical Information Systems
Alina Pashkova	V.N.Karazin (Kharkiv)	Profesor of Spanish	alina.pashkova@karazin.ua	Psycholinguistic
Maryna Svitlychna	Karazin Kharkiv National University	Spanish lecturer	maryna.svitlychna@karazin.ua	Latin American literature
Nataliia Hrevtseva	Karazin Kharkiv National University	Professor	grevtseva@karazin.ua	Development of flour products for health purposes, including processing and rational use of wine grape pomace
Nataliia Popovych	V. N. Karazin Kharkiv National University	Associate Professor of the Department of Physical Geography and Cartography	n.v.popovych@karazin.ua	Geography, GIS, Cartography
Lesia Yevdokimova-Lysohor	Kharkiv National University V. Karazin	Doctor	lessia0505@gmail.com	Cross-cultural communication, method of teaching foreign languages
Vitalii Stepanov	V.N. Karazin Kharkiv National University	Lecturer	vitaliy.a.stepanov@karazin.ua	Methodology, Pedagogy
Alina Borysova	Kharkiv State Academy of Culture	International Office Manager	haralina@gmail.com	Inclusion in the sphere of education and its psychological aspects
Yuliia Kvitka	Karazin Business School of V.N.Karazin Kharkiv National University	Associate Prof., International Coordinator in Karazin Business School	makhanova@karazin.ua	Hybrid conflicts and new areas of growth: multidimensional convergence and resilience enhance; Mediation

Ukrainian Universities

Eduard Balashov	National University of Ostroh Academy	Rector's Assistant for International Relations and Fundraising	eduard.balashov@oa.edu.ua	Psychology, mathematics
Nataliia Vodolazka	V.N.Karazin Kharkiv National University	Professor at the department of physical chemistry	vodolazkaya@katazin.ua	Physical and Colloid Chemistry
Nataliia Prytula	Sytenko Institute of Spine and Joint Pathology National Academy of Medical Sciences of Ukraine	Junior researcher	natpryt@ukr.net	Sitenko Institute is interested in joint research in the field of endoprosthetics, bone oncology, bone tissue transplantation, rehabilitation after orthopedic interventions and other areas of orthopedics and traumatology.
Victor Krasnobayev	V. N. Karazin Kharkiv National University	Professor of Department of Electronics and Control Systems	v.a.krasnobaev@gmail.com	Formulation of principles and development of methods for creating high-speed and fault-tolerant real-time computer systems based on the use of non-positional code structures in the system of residual classes
Alina Yanko	National University «Yuri Kondratyuk Poltava Polytechnic»	Associate Professor of the Department of Computer and Information Technologies and Systems	al9_yanko@ukr.net	Formulation of principles and development of methods for creating high-speed and fault-tolerant real-time computer systems based on the use of non-positional code structures in the system of residual classes
Mykhailo Pervak	Odesa national medical university	Associate professor	mykhailo.pervak@onmedu.edu.ua	Pathophysiology, seizures, rats, cerebellum, epilepsy,
Yevhen Kobolyev	Odessa National Medical University	Doctor of Medical Sciences	yevhen.kobolyev@onmedu.edu.ua	Public health
Maya Vatan	Odessa National Medical University	Senior Lecturer	maya.vatan@onmedu.edu.ua	Public health
Hanna Leshchenko	Cherkasy State Technological University (Ukraine)	Chair of Applied Linguistics and	anles.ck.ua@gmail.com	Linguistics, Literary Studies, Methods of Teaching English as the Second Language

Ukrainian Universities

		Translation Department		
Pylyp Kuznietsov	V.N. Kzrazin Kharkiv National University	director of the School of Physics and Technology	kuznietsov@karazin.ua	Nuclear
Daria Lahoda	Odesa National Medicine University	assistant professor	dlagoda19@gmail.com	Family medicine, prevention, obesity, excess body weight, prediabetes, type 2 diabetes, cognitive impairment, type 1 diabetes in children, bronchial asthma, features of communication with the patient, stigmatization
Dani Sheykh Ai	Odessa national medical university	Senior Lecturer	sanepidemiolog@i.ua	Preventive medicine
Daria Minchenko	National University "Odesa Law Academy"	Head of the International Relations Office	d.minchenko@onua.edu.ua	Law, Government, International Relations
Olena Appelhans	Odessa National Medical University	Head of the department	olena.appelhans@onmedu.edu.ua	Human anatomy, experimental cell therapy, brain injury, hepatitis
Anton Shanyhin	Odessa national medical university	Senior Lecturer	anton.shanyhin@onmedu.edu.ua	Nutrition, vitamin D, lipid metabolism
Petro Antonenko	Odessa National Medical University	Professor	petro.antonenko@onmedu.edu.ua	An impact of human genetics and M.tuberculosis genetics on the effectiveness and safety of anti-tuberculosis therapy; preclinical screening of new compounds as potential neurotropic agents
Tetiana Kim	V.N. Karazin Kharkiv national University	Ass.Prof., PhD in Economics	tetiana.kim@karazin.ua	Resource potential of the international economy, circular economy, human capital
Daria Usenko	Odesa national medical university	PhD, assistant of the Department of Pediatrics	dariav.usenko@gmail.com	Pediatric pulmonology, pediatric endocrinology, social pediatrics
Oleksandr Novoseletskyy	National University of Ostroh Academy	Dean of the Faculty of Economics	oleksandr.novoseletskyy@oa.edu.ua	Mathematical modelling, data security

Ukrainian Universities

Dmytro Uzlov	Kharkiv National University V.N.Karazin	Dean of the Faculty of Computer Science	dmytro.uzlov@karazin.ua	Computer Science, Data Science, Cyber Security
Darya Legeza	Dmytro Motornyi Tavria State Agrotechnological University	Vice rector of research and pedagogical work and International Affairs	darya.legeza@tsatu.edu.ua	Agricultural economics, green economy, sustainable development, agronomy, food and engineering industries
Andrii Prus	The National University of Ostroh Academy	.	andrii.prus@oa.edu	Morse-Smale flows
Anatolii Nikitin	The National University of Ostroh Academy	Professor (full) at the Department of Economic-Mathematical Modeling and Information Technologies	anatolii.nikitin@oa.edu.ua	Analysis of asymptotic properties of random processes - solutions of stochastic differential equations, their application to the construction and study of mathematical models of real processes
Oleh Horoshkov	Odessa National Medical University	PhD	olgert1973@gmail.com	Public Health
Tetiana Chaban	Odessa National Medical University	Department of infectious diseases	tetiana.chaban@onmedu.edu.ua	Infectious diseases
Leonid Godlevsky	Odesa National, Medical University	Professor, PhD, MD, chief of Physiology and Biophysics Department	godlevskyleonid@yahoo.com	Epilepsy, Cerebellum, Brain Stimulation
Liudmyla Venger	Odesa National medical university	head of ophthalmology department	venger.iris@gmail.com	Ophthalmology
Diachkova Zinaida	ONMedU	Assistant of Ophthalmology department	muradianzina@gmail.com	Ophthalmology

Ukrainian Universities

Tereshchenko Anastasiia	Odessa national medical university	Assistant of Ophthalmology department	anstasiashapovalova5@gmail.com	Ophthalmology
Yepisheva Svitlana	Odesa National Medical University	Vice head of ophthalmology department	7033801@gmail.com	Ophthalmology
Snizhana Hanykina	Odessa National Medical University	PhD	snizhana.hanykina@onmedu.edu.ua	Public health
Karakonstantyn Dmytro	Odesa National Medical University	Assistant of professor	dmytro.karakonstantyn@onmedu.edu.ua	Emergency medicine/ first aid/ tactical medicine
Yehorenko Olha	Odesa National Medical University	Assistent of professor	Olga.yegorenko@onmedu.edu.ua	Family medicine
Iushkovska Olga	Odesa National Medical University	head of department of sports medicine and physical rehabilitation	med_rehab@ukr.net	Sports medicine and physical rehabilitation
Anna Kitsis	Odesa National Medical University	Department assistant	d.kitsisanna@gmail.com	Rehabilitation
Svitlana Kravets	Odesa National Medical University	Ukraine	svetakravec211@gmail.com	My main research interests in the area physical rehabilitation of cerebral palsy
Olena Filonenko	Odesa national medical university	Associate professor	olena.filonenko@onmedu.edu.ua	Rehabilitation, sports medicine
Leonid Kholopov	Odesa National Medical University	Associate professor	kholopov@ukr.net	Atherosclerotic cardiovascular injury in patients with chronic inflammatory diseases
Ruslan Vovk	V.N. Karazin Kharkov National University	Head of School of Physics and Astronomy	r.v.vovk@karazin.ua	Physics of Condens Matter
Zhuravok Yulia	Odessa national medical universiti	Assistant of Ophtalmology departament	uzhuravok@gmail.com	Ophtalmology
Ilona Androshchuk	Central Ukrainian National Technical University	International Department, project management	ilonka.tsarenko@gmail.com	Business administration, accounting, economics, computer science, applied mechanics, automation, robotics,

Ukrainian Universities

				ecology, agronomy, rural engineering, construction, history, Ukrainian studies
Alexander Plakida	Odessa national medical university	Professor	aplakida7@gmail.com	Neuromuscular rehabilitation
Kovtun Oleksiy	Odessa national medical university	Vici hede of ophthalmology department	qwerty1wrong@gmail.com	Ophthalmology
Konovalova Natali	Odessa national medical university	Assistant department of ophthalmology	kvnkonovalova@gmail.com	Ophthalmology
Kateryna Borysenko	V. N. Karazin Kharkiv National University	Associate Professor, Department of Physical Geography and Cartography	k.borysenko@karazin.ua	Monitoring the quality of water bodies; field studies; hydrogeomorphological studies; use of GIS in expeditions; development of tourist routes
Zhuravok Yulia	Odessa Nacional medical university	Assistant of Ophthalmology department	uzhuravok@gmail.com	Ophthalmology
Konovalova Natali	Odesa National Medical University	Assist professor ophthalmologicac	kvnkonovalova@gmail.com	Ophthalmologicac
Ivanitska Olena	Odessa National Medical University	Assist of professor ophthalmological department	e.v.ivanitskaya@gmail.com	Ophthalmology
Andrii Dobrovolskiy	Odesa National Medical University	MD in Obs&Gyn, PhD researcher, Head of Young Scientists Society of Odesa National Medical University	andrey.dobrovolskiy@onmedu.edu.ua	Gynecological oncology,metabolone,epigenetics,early diagnostics of gynecological cancer,reproductive medicine
Igor Burdin	Odessa national medical university	Senior tescher	burdin0102@gmail.com	Phisical Rehabilitation
Alexander Plakida	Odessa national medical university	Professor	aplskida01@gmail.com	Physical Rehabilitation

Ukrainian Universities

Victoria Seredovskaya	Odessa National Medical University	Senior Lecturer	sered63@ukr.net	Physical rehabilitation
Viktor Sokolov	Odessa National Medical University	Head of Department of radiation diagnostics, therapy and radiation medicine and oncology	viktor.sokolov@onmedu.edu.ua	Computed tomography, oncology, densitometry
Shakhnazarian Kamo	Odessa National Medical University	Asistant Department of Physical Rehabilitation, Sports Medicine, Physical Education	kamo4@ukr.net	physical rehabilitation, massage, manual therapy
Tetiana Khimenko	Odessa National Medical University	assistant professor, MD, PhD, Department: Propedeutics of Pediatrics	tetiana.khimenko@onmedu.edu.ua	Pathological conditions in children born preterm, obesity in children of different age
Oleksii Kolomoitsev	V. N. Karazin Kharkiv National University	Senior Research Associate, Associate Professor	o.o.kolomoitsev@karazin.ua	Organic Synthesis, Nitrogen containing heterocycles, Thiazole chemistry, Unsaturated carbonyl compounds
Svitlana Kravets	Odessa National Medical University	Assistant in Department of physical rehabilitatoin ,sports medicine, physical training and valeology	svetakravec211@gmail.com	Physical rehabilitation of cerebral palsy
Stanislav Kovalyov	Ukrainian State University of chemical technology	Heat department of energy	sv_kovalyov@i.ua	Electrochemistry and material science
